* Team homerooms, all of which will be located in classrooms on the Foggy Bottom Campus, will be available on Saturday, May 31, from 7 a.m. to 7:30 p.m. only. Most homerooms will be shared between Division B and C teams; please be considerate and use this as an opportunity to get to know another team. It is expected that teams will leave their assigned homerooms in the conditions in which they are found, to include removing all belongings and trash from the homeroom before the end of the day. **Neither The George Washington University nor the 2008 Science Olympiad National Tournament will be responsible for items left in homerooms, so it is suggested that team representatives remain in the homerooms at all times when they are in use.**

While there are no specific homerooms provided on the **Mount Vernon Campus**, teams participating in the Trial Events being held there can utilize common areas available in the Eckles Library, G-Dub Java Lounge, The Pub, and The Quad.

Refer to campus maps on pages 34 and 35 for street addresses.
